Local Business Workshop

The Village of Maple Park is holding a workshop for local businesses to review opportunities, programs, policies, and economic development. The program will include a review of economic development activity in Maple Park, opportunities and assistance offered by various agencies, and a discussion of programs and policies affecting local businesses. The Village Board of Trustees invite local businesses and prospective businesses to participate in this workshop to help promote the Village of Maple Park.

For more information contact Pat Lunardon or Suzanne Fahnestock at 815-827-3309.
